

Assistant Project Scientist

University of California, Riverside

Applications are invited for a full-time Assistant Project Scientist position beginning July 1, 2018, in the Mathematics Department at the University of California, Riverside. Applications are welcome from those with a Ph.D. in Mechanical Engineering or Bioengineering as well as with a strong interdisciplinary biomedical background, with extended experience of developing multi-scale computational models of early development of the wings of drosophila.

To Apply: Application materials for this position should be submitted through <https://aprecruit.ucr.edu/apply/JPF00914>. Please provide a cover letter, full curriculum vitae, Statement of Contributions to Diversity, and contact details for three confidential references.

Review of applications will begin May 31, 2018. For more information about the position, please contact Dr. Mark Alber, Professor of Mathematics, University of California, Riverside – malber@ucr.edu. For inquiries regarding the application process, please contact Eric Chong, Academic Personnel at eric.chong@ucr.edu. Additional information about the Department of Mathematics can be found at <http://mathdept.ucr.edu/>.

UCR is a world-class research university with an exceptionally diverse undergraduate student body. Its mission is explicitly linked to providing routes to educational success for underrepresented and first-generation college students. A commitment to this mission is a preferred qualification.

Advancement through the Project Scientist ranks at the University of California is through a series of structured, merit-based evaluations, occurring every 2-3 years, each of which includes substantial peer input.

The University of California is an Equal Opportunity/Affirmative Action Employer with a strong institutional commitment to the achievement of excellence and diversity among its faculty and staff. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veteran status, or any other characteristic protected by law.
