

*The Department of Mathematics at the
University of California, Riverside
is proud to present*

*The Second Lecture of the
Richard E. Block
Distinguished Lecture
in Mathematics Series*

Given by

Eric M. Friedlander

*President-Elect of the American
Mathematical Society and Dean's
Professor of Mathematics,
University of Southern California*

*“Elementary modular representation
theory”*

*On Tuesday, October 19th, 2010
4:10 p.m., in Surge 284*
